

AGM - DRAFT BUDGET 2026/2027 - CORRECTION

Dear Members

Further to the Notice issued yesterday, we would like to thank those Members who have already reviewed the draft financial documents and submitted comments and questions. From feedback received, an error in the ACTUAL 2026 column on the draft budget sheet has been identified. The error, which arose from a misallocation of amounts between “other operating expenses” and “consulting, legal and professional fees” has been corrected and the revised Draft Budget document is attached [here](#).

Please note that there is no change to the 2026/2027 budget numbers – only the comparative actual figures for the previous financial year have been adjusted.

We apologize for any inconvenience and thank you for your understanding.

Kind regards

PVHOA
