

Pearl Valley HOA Townhall Meeting - 23 March 2026

Dear Members

The Trustees would like to thank all Members who attended last night's Townhall Meeting, whether in person or online. We are pleased to note that more than 300 Members participated, reflecting the strong interest and engagement within our community on the important matter of Reciprocal Access.

Unfortunately, the meeting was impacted by network connectivity issues that affected those attending online. We understand that this caused frustration, and we acknowledge the complaints received. A full review will be carried out with our IT Service Provider to determine the cause and aim to avoid similar problems in future meetings as far as possible.

A full recording of the meeting is available here: [Townhall Meeting Recording Link](#).

A copy of the PowerPoint presentation shared during the meeting can also be accessed here: [PowerPoint Presentation Link](#).

Please remember that any questions or comments can be submitted to the Trustees by emailing info@pvhoa.co.za preferably by 31 March. All inputs will be consolidated and reviewed by the Trustees and further communications on this important subject will be circulated to Members by mid-April. This will include an informal poll of Members in a format to be determined.

Kind regards

PV HOA
