

## TREE MAINTENANCE ON ROAD VERGES

The HOA is carrying out necessary pruning and trimming of verge trees where branches overhang roadways and obstruct traffic, particularly affecting access for larger service vehicles such as the Drakenstein Municipality refuse removal trucks.

Residents will be notified a day in advance of the contractor's scheduled work in their area. Please note that trees located within residents' erf boundaries will not be affected. In cases where attention to trees within an erf is necessary, HOA staff will contact the relevant residents directly.

## HELP STOP THE SPREAD OF A TINY INVADER

Don't let its size fool you; a tiny destructive beetle, no bigger than a sesame seed, has arrived on our doorstep and is causing damage to trees throughout the Cape Winelands. The Polyphagous Shot Hole Borer (PSHB) attacks more than 200 tree species, spreading a fungus that can kill both indigenous and exotic trees. It's spreading alarmingly fast, primarily through untreated firewood.

Click below to learn how you can help protect our trees and stop the spread of the beetle.

## CELEBRATING A JOURNEY OF EXCELLENCE

Thank you to every homeowner in Pearl Valley Estate who entrusted me with the sale of their property, and to every buyer who began a new chapter with my guidance.

Your trust and support have been the foundation of my success, and I'm truly grateful. It's because of you that I've had the honour of receiving Pam Golding Properties' highest accolade – Emerald Circle status – along with the title of **Residential Agent of the Year for the Boland & Overberg region** at this year's GoldClub Awards.
