

NEW ADDITION TO THE PVHOA TEAM

The HOA is pleased to announce the appointment of Megan Odendaal as our new Estate Relations and Compliance Officer.

Before joining our team, Megan worked for the Homeowners Association at Silwerstrand Golf and River Estate in Robertson.

Her role entails advising and assisting residents, answering queries, addressing complaints, and generally monitoring and ensuring compliance with the Estate Rules.

The Estate Rules are an essential feature of community living and cover various aspects such as speed limits, parking, use of facilities, property appearance, gardens and landscaping, neighbour relations, animals and pets, noise control, and general conduct on the estate. A copy can be downloaded [here](#).

In her free time, Megan enjoys engaging in sporting activities, including going to the gym, playing golf, and running.

Megan can be contacted directly at compliance@pvhoa.co.za.

PEARL VALLEY GOLF

One of the Best Golf Tips You'll Hear This Year: Have FUN!

Okay, so this isn't a swing tip - but it might just be the most important advice you'll get. Whether you're practising on the range or playing a full round, don't forget why you're out there in the first place: to have fun. Golf is a tough game, and too many players take it so seriously that they lose sight of the joy it can bring. If you're not enjoying yourself, what's the point?

Before your next round, take a moment to reflect. Why do you keep coming back to the course? What keeps you spending your time and money on this game? Chances are, your answers include things like enjoying the outdoors, spending time with friends, getting some fresh air and exercise - and yes, maybe chasing the occasional great shot.

Sure, we all want to play well, but that's not the main reason we love golf. By staying focused on what matters - having a good time - you'll find the game becomes far more rewarding.

Golf is challenging, and that's part of its magic. Embrace that challenge. Cheer on your playing partners. Learn, improve, laugh - and remember, the best tip for your game might just be to smile more and stress less.
