

SEASON'S GREETINGS!

This is our final Weekly Newsletter of 2025.

The PVHOA office will be closed for a short break from Friday, 19 December 2025 at 13:00 and will reopen on Monday, 5 January 2026 at 08:00.

On behalf of the PVHOA team, I wish all homeowners, residents, and members of the Pearl Valley community a safe, happy, and blessed festive season, as well as a peaceful holiday. We look forward to seeing you again in the New Year!

In case of emergency, please contact the Security Control Room on 021 867 1201. For ambulance assistance, please contact the Titanium Securitas Call Centre directly on +27 (0)21 982 8055 (press 1 for medical) or +27 (0)64 890 5274.

Kind regards
Greg van Heerden
ESTATE MANAGER

MAIN CIRCLE UPGRADE

We are thrilled to report that the upgrade of the Estate's main entrance circle is almost complete. The new design has been created for the HOA by a professional landscape architect, with the brief to design a focal feature for the Estate - something that adds colour, maintains visibility for motorists, and delivers a **wow** factor.

The design will offer both colour and texture, with the mandala layout reflecting an African heritage theme. The African daisies used are part of the fynbos vegetation type, water-wise and sun-hardy. The colour palette was carefully selected for harmony, with plant positions chosen accordingly, and the layout will ensure that something will be in bloom throughout the year.

We hope that residents and visitors will enjoy the new look!

FIRE AWARENESS AND PRECAUTIONS

As we continue to experience an exceptionally hot, dry and windy summer, it's critical that appropriate steps are taken to reduce the risks of fires starting and spreading on and around the Estate.

Residents may have noticed that the HOA is currently clearing a 20-meter fire break next to the incoming lane of Jack Nicklaus Boulevard. We are also in discussions with the owners of Watervliet Farm regarding the cutting of firebreaks in the forest area between the green waste site and the Estate.

We urge residents to contact the Security Control Room immediately on 021 867 1201 if you spot a fire anywhere on or near the Estate.

IRRIGATION OF ESTATE COMMON AREAS

Dam levels are dropping throughout the region as the heat and wind take their toll. In times like this, the use of irrigation water on the Estate's common areas needs to be very carefully managed, within the limits of the applicable water use licenses.

Unfortunately, some sections of our verges, beds, and parks are starting to look a bit stressed, and we are continuously monitoring and adjusting watering in order to attend to all areas as far as possible.

We are, however, encouraged by the rain forecast for the coming days and hope this will bring some much-needed relief to our region.

REMINDER: ESTATE WATER PRESSURE

As previously communicated, Drakenstein Municipality is still carrying out intermittent maintenance on the main water line, which continues to affect water pressure and supply. The HOA is monitoring the situation daily and remains in close contact with Drakenstein officials for updates.

PEARL VALLEY HOTEL SWIMMING POOL ACCESS

The HOA has received the following message from the Pearl Valley Hotel regarding the use of the Hotel's swimming pool at Back's Deli & Restaurant (*not* the Clubhouse pool).
